

Desmond Child

Producer / Songwriter

Songwriter Hall Of Fame member with over 70 top 40 hits

www.DesmondChild.com

Jon Bon Jovi “The Desmond you don’t know about, is the one who not only taught me the next level of songwriting, but so many of the true aspects of friendship: truth, honor and loyalty. We’ve been through a lot together – the ups and downs...and ups again.”

Steven Tyler “Desmond’s a chameleon. The first time we met, we wrote ‘Angel’ in about an hour and 45 minutes – and I’m not bullshitting. The guy’s a f#@king genius.”

Gene Simmons “Desmond is the perfect songwriter. Neither styles in music nor trends and fads have ever held him back from doing what he does best, which is craft a song like nobody else can. I have to honestly say he has completely floored me with his songwriting craftsmanship. I admire him and applaud him.”

Joan Jett “Desmond is a genius for tapping into a performer’s persona to create music that is intensely commercial without compromising the artist’s integrity.”

Alice Cooper “Desmond is a slave-driving slut.”
